INTERNATIONAL YOGA DAY

we have organized a special program to celebrate International Yoga day.

Students from all grades participated enthusiastically in yoga sessions led by experienced instructors.

The day began with an assembly where the principal spoke about the importance of yoga for physical, mental and spiritual well-being. Students then divided into groups and headed to the school grounds / halls to take part in various yoga asanas (postures), breathing exercises and meditation.

It was a wonderful day of learning, activity and community spirit as the school celebrated International Yoga Day together.

THANK YOU
